**Vision Gallery presents: An On-Site Artist Project – Featuring Figurative artist Debra Jones.** Watch the creative process of artist Debra Jones in the Vision Gallery while she makes a mural for all to see. It will be a figurative piece from the point of view of the art in a gallery. In a series of 8' x 4' panels she will show what it looks like to be looked at. Interconnected panels will become a panoramic mural on-site. Watch the artist-at-work and be a part of the experience.

If you are interested in possibly being in the mural, come down to Vision Gallery to be photographed before Artwalk on Friday June 23 between 3:00 PM and 5:00 PM. All you have to do is be a very active observer!

Debra Jones is a celebrated figurative artist whose portrait works include animals as well as people. She works in a variety of mediums from pastels and watercolors to oils and acrylics.
