TICKETING FEES:

*Updated Ticketing Policy – Effective May 12, 2025

In compliance with new Federal Trade Commission regulations on transparent ticket pricing, we will be implementing an all-in pricing model for all ticketed events beginning May 12, 2025. This means that all advertised ticket prices must include the face value of the ticket (what the rental client collects) plus all ticketing fees charged to the patron. No additional fees may be listed separately in any advertisements or promotional materials. Clients are required to work closely with the Box Office to ensure that all ticket pricing is accurate and advertisements are fully compliant with the all-in pricing requirement.

- The following service and facility ticketing fees will be charged to the patron on all ticketed events (subject to market rate adjustments). These fees must be included in the advertised ticket price.
 - \$4.00 service fee
 - \$2.00 facility fee
 - Ticket buyers will save \$2.00 on service fees if they purchase directly from the CCA box office either in person or by phone.
 - Please note that all patron charges will be charged back to client for consignment tickets.
- The following ticketing fees will be charged back to the client on all ticketed events (subject to market rate adjustments):
 - 4% commission charged to client on gross sales
 - \$1.50 per ticket charged to client for all tickets sold
 - 3.25% of credit card sales charged to client
 - A box office set-up fee will apply to non-charged ticketed events: \$250.00 for Steena Murray Mainstage events and \$100.00 for Hal Bogle Theatre events.
 - Commission and credit card fees charged back to the client will be based on the face value ticket price, not the all-in price.

If you have questions or need assistance with ticket pricing and compliance, please contact Sam Ruiz at Sam.Ruiz@chandleraz.gov or at 480-782-2673.
